Consent for Medication Administration

If your child or ward will be under the age of 18 while in attendance at 4-H, it is the University of Connecticut 4-H program policy to secure your consent for medication distribution and for the use of medical devices. The medication or medical device can be self-administered or be administered by the on-site professional staff.

All medications must be in a medicine bottle and labeled with the participant's name, doctor's name and phone number, medication name, and dosage.

It is the parent's responsibility to contact the 4-H volunteer or professional staff to make them aware of any medication that will need to be administered during the program. You must complete the form below.

_____No medication will be brought to 4-H.

_____I want the medication or medical devices self-administered (age 14 and above only).

_____I want the medication or medical devise administered by the on-site program provider. However, a limited amount of medication for life threatening conditions may be carried by my child or ward. (i.e. bee sting kits, inhalers)
