

The 79th Annual Tolland County 4-H Fair
Proudly Dedicates the 2021 Fair Premium Book to:

Jennifer Davis

The Tolland County 4-H Fairboard is proud to dedicate the 2020-2021 fair book to Jennifer Davis. Jennifer (Dube) Davis first got involved in her local 4-H club when her mother Barbara started the Uncle Remus Gang 4-H club in Tolland County. Throughout her many years as a 4-H member she showed rabbits and dairy goats, and has always loved caring for animals. After aging out as a 4-H member, Jenn moved on to become a registered nurse and continued to care for people in the medical field. Even though she took a hiatus from 4-H, she couldn't stay away for too long. She registered her daughter in a local 4-H club called Tranquil Menagerie, and later on became one of the co-leaders of the 4-H club. To this day, Jenn is still one of the leaders of Tranquil Menagerie and she is also an advisor on the Tolland County 4-H Fairboard. As an advisor on Fairboard, Jenn has had countless responsibilities like chaperoning overnights at the fair, creating the annual Tolland County 4-H Fairbook, and is currently the Treasury Advisor. Jenn's dedication and passion for 4-H is so vibrant that you can see it when you first meet her. Her kind and caring nature towards people and animals makes her a truly special individual, and someone that Tolland County 4-H is incredibly thankful for. Whether you have a question, need some advice, or assistance with anything that life can throw at you, Jenn is the person to go to! Thank you, Jenn, for all of the hard work you do to provide a fun and positive learning experience for all your 4-H members!

2021 President's Message

It's safe to say that this year has been historical. When I first joined Fairboard in 2015, I never knew that I'd one day be the President in a year where everything was so uncertain for Fairboard and all of 4-H. For most of the year, it felt that the world stood still, waiting for everything we've endured to slowly be over. For Fairboard, it meant many months of anticipation, a willingness to roll with the punches, and a *lot* of extra work and planning. I am endlessly proud of each member of Fairboard for their dedication to put on a Tolland County 4-H Fair under such circumstances, and of every member of 4-H that made this year's Fair happen! Both this year and last year's Fair has taught all of 4-H much about dedication and managing unexpected circumstances, and I'd like to thank last year's president, Ben Lindblom, for his unwavering leadership last year; his efforts and mine allowed the Fair to thrive after the biggest change of plans in its history. I'd also like to thank everyone involved in 4-H for their participation in, preparation of, and dedication to the Tolland County 4-H Fair; we couldn't have pulled off the Fair without everyone's help!

Sincerely,
Jay Rollins

All animals and poultry entered at fairs and shows must be in good health and in proper physical condition and will be examined at the exhibition by the barn superintendent. **Evidence of poor condition or infectious or contagious disease or failure to produce the necessary documents for health certification, vaccination or testing will result in ejection. The Connecticut Department of Agriculture Livestock Inspector's decision is final.**
3. Health charts and proof of vaccination where applicable are the responsibility of the exhibitor.
4. Each barn superintendent will collect and hold the Health Certificates from each exhibitor. Animals not in compliance with the state regulations for shows and fairs will not be allowed. A complete list, containing the name of the exhibitor, address, animal ID (ear tag, tattoo, and leg band), breed and age of each animal, and the total head count will be made available to the State Livestock Inspector and forwarded to the Connecticut Dept. of Agriculture, Bureau of Regulation & Inspection by the fair superintendent. **All animals and poultry present on the grounds should be identified on this list.** Any animal that is rejected should be noted as such with a brief statement of reason. Rejected animals or poultry should be removed from the grounds as soon as possible. **Any concerns about the health of any animal or bird should be reported to the State Livestock Inspector or the Fair Veterinarian immediately.**
