

To Make the Best **BETTER**

The theme for this year's Scarecrow Competition has finally been chosen! We have decided on the theme of *Harry Potter* and think that this will be a theme that can tap in to your creative side. Don't forget to use at least 80% of up-cycled materials. We Look forward to seeing your creations this year.

Make the *Harry Potter* franchise proud!

Check the Fair Book for the full details and description.
