THE LITCHFIELD COUNTY
4-H FAIR ASSOCIATION PRESENTS
THE 89th LITCHFIELD COUNTY 4-H FAIR

August 5, 6 and 7, 2022

**GOSHEN FAIRGROUNDS
ROUTE 63, GOSHEN, CT**

President's Message

Dear 4-H Members, Parents, Volunteers, and Guests,

Welcome to the 89th Annual Litchfield County 4-H Fair!

4-H is the largest positive youth development program in the world, and rightfully so! 4-H is run by Cooperative Extension and is partnered with over a hundred public universities. The mission in 4-H is to educate youth on STEM, healthy living, agriculture and civic engagement, all while approaching teaching with a "learning by doing" mindset.

I would like to take a moment to thank all the people who made this fair possible, starting with our Litchfield County 4-H Extension Educator, Mr. Davenport. Without Mr. Davenport's constant guidance, dedication, and hard work this fair wouldn't be possible.

I would like to thank our Educational Program Assistant, Christine Smith, who spends endless hours behind the scenes preparing for our 4-H fair.

I would like to thank the 2022 Litchfield County 4-H Fair Association officer team for their enthusiasm and their commitment to Litchfield County 4-H.

I would like to thank the Litchfield County 4-H Foundation for always supporting our county.

I would like to thank all the 4-H volunteers who continually encourage, educate, and help 4-H youth.

Next, I would like to thank all the parents for constantly supporting their own children in 4-H, as well as all the 4-H members.

Lastly, I would like to give a very big thank you to all the Litchfield County 4-H members.

Your devotion and perseverance in 4-H is commendable as well as inspiring. I am happy to say that in all my years of 4-H I have never seen the Fair Association meetings as large as they were this year. Not only were the meetings filled with 4-H members, they were also filled with bright ideas, great discussion, as well as a common love and passion for 4-H. I couldn't be prouder to be a part of Litchfield County 4-H. I sincerely hope everyone has enjoyed 4-H this year as much as I have.

Now, the time has come for us to celebrate and appreciate all the persistence, dedication, and hard work that went into preparing for our fair and our 4-H projects.

Respectfully,

Your Fair Association President

Madeline Hall

The 2022 Litchfield County 4-H Theme is....

***Litchfield County 4-H:
Larger Service for
Better Living***

During the fair, clubs will share how they were involved with serving their communities by using their hands for larger service for their clubs, their communities, their country, and their world.

THE 2022 LITCHFIELD COUNTY 4-H FAIR IS DEDICATED TO David Wilson

Dave Wilson has been a lifelong supporter of 4-H. Dave Wilson started his life as a city kid in Flushing, NY. Later his family moved to Darien, Ct where he started taking care of animals during his high school years when he worked at old MacDonald's farm. During college at UConn, he milked cows at a farm on Spring Hill Road in Storrs in order to provide for his wife Rosanne and his then 2 children David and Sheila who were born while he was still a student. After graduating, the young family moved to Torrington when he took a job as an engineer at the Torrington Company. During this time two more daughters Sandy and Amy were born. The family soon moved to Milton with 3.5 acres and as soon as David and Sheila got old enough, Dave asked them if they wanted to raise swine, having no idea what a swine was they both agreed. Dave, the Weiks, the Loomis' and a few other families got together and started the Litchfield Porkers 4-H Club. This began the family's long tenure with 4-H. David soon got a beef steer and Sheila an Ayrshire calf. Dave became a leader of the Litchfield County 4-H Beef Club. Sandy, Amy, David and Sheila were involved in The Willing Workers Dairy Club, The Beef Club, and David also briefly showed goats. Sheila started sewing with the Busy Stitchers 4-H Club when she was 10 and the other girls followed in the sewing when Rosanne became leader of the newly formed Sew What 4-H Club. In 1974, Dave became the Litchfield County representative to the Connecticut 4-H Development Fund when they were acquiring the Auer Farm in Bloomfield. After that he became a member and Treasurer of the Litchfield County 4-H Foundation, which he continues to serve on to this day. For a couple of decades, there wasn't a fair committee meeting or a club meeting that either Dave or Rosanne did not attend, acting as chaperones, unloading hay, mixing up milkshakes, or making grinders to sell and doing all the things that 4-H parents have done and continue to do.

In 1986, tragedy struck when young David died in a car accident. Trying to heal themselves and give something back to the 4-H community who gave the family so much love and support, the family started the David M. Wilson calf chain and later Rosanne's name was added to David's name when she passed away from cancer in 2007. Dave wanted to make sure other kids had the opportunity that his kids had and the calf chain continues.

We want to thank Dave for his many decades of service to Litchfield County 4-H and all he has done and continues to do for our past and present members and volunteers by dedicating this year's fair to Dave Wilson.

GENERAL RULES & REGULATIONS

The rules, regulations, and requirements presented within this book for the operation of this fair supersede any other state orders, regulations, or other printed materials. Statements made within this book are considered to be the legal contract for conducting this fair.

1. Competition is open to any Litchfield County 4-H member enrolled as of May 1 of the year of the fair. 4-H members may exhibit in any or all classes as long as they meet the requirements of that class. CT 4-H members from other counties may show only upon request and with permission from the Litchfield County 4-H Fair Association. **However, any "out of county" 4-H members given permission to show will not be eligible for championships.** The no championship rule does not apply to the horse show. This year's horse show is open to any enrolled 4-H Member, and is part of the CT 4-H Horse Show Series.
2. Only project animals listed on the animal verification forms on file at the 4-H office are eligible to be shown at the fair. Proper health papers are required and need to be available when animals arrive at the grounds. Refer to the current year's "CT Fair and Show Requirements" for further details.
3. **No dogs are allowed on the grounds, this includes the camping area. Only 4-H dog projects entered into the fair are allowed on the grounds, or bona fide service animals.**
4. **All entries should be submitted electronically as directed by July 8th, using this link: <http://bit.ly/LC4HEntry>**
The only exception is that **home show entries are due by Friday, July 29th. If you do not send in Home Show entries by the due date, your entries will not be accepted for judging and exhibition.**
5. 4-H Project Records are expected for all exhibitors. Records for home show exhibits should be entered in "Class 9: Project Records" and are required for 4-H members to win championships. Records for livestock exhibits should be displayed with your animals. Follow the guidelines for assembling your project records. The guide and records are available online: www.4-H.uconn.edu or request copies from the 4-H Office.
6. There are no entry fees (exception: out of county 4-H members at horse show) and no cash premiums paid on exhibits at this fair.
7. All project work exhibited at this fair must be owned by, or the work of, the 4-H member, except for certain classes of livestock where lease programs exist.
8. Home show entries must be in place between 4 & 7 p.m. Friday before the fair. Home show entries will be judged Friday evening from 7:30 – 10:00 p.m. and Saturday morning, if necessary. Home show exhibitors must pick up their exhibit tags at the secretary's booth (located in the Home Show Building) and put them on their own exhibits. Be sure your assigned exhibitor's number is on each home show exhibit tag. Home show superintendents may add, combine, or delete classes at their discretion.
9. Livestock entries must be in place by 12 p.m. Friday of the fair, or as directed in the department rules.
10. Exhibits may be removed after 4 p.m. on Sunday of the fair.
11. Ribbons are awarded according to the Danish System: Purple Ribbon = Outstanding Quality; Blue Ribbon = Excellent Quality; Red Ribbon = Very Good Quality; White Ribbon = Good Quality; Green Ribbon = Participation. Other awards are presented as listed in each class.
12. Judges' decisions are final. As per the Constitution & Bylaws of the Litchfield County 4-H Fair Association, Inc. *"The Executive Committee shall be the court of final appeal in all cases of dispute."*
13. Animals with housing facilities remain on the grounds throughout the fair.
14. **IMPORTANT:** Each club or individual must completely clean their barn or area and truck all bedding, manure, and other debris to the designated dumpsters before leaving the fairgrounds on Sunday. EVERY CLUB must contribute to cleaning up their assigned task or area at the fair and appoint one person who is responsible for staying and helping with the cleanup of the entire fairgrounds.
15. Completed and approved overnight permission forms will be issued to club leaders who will distribute them to members. Each 4-H Club Leader determines who will be staying for their group. No one is allowed to stay without proper permission forms. More information on overnight rules and forms will be sent to leaders in July.
16. **Alcoholic beverages, tobacco and other controlled or illegal substances are not allowed on the fairgrounds. Violation will result in dismissal from the fairgrounds.**
17. Only authorized vehicles are allowed to drive around the fairgrounds during the operation of the fair. This means garbage crews or those on specific fair business. All other vehicles are to remain parked in the designated areas. All vehicle traffic must yield to animals.
18. The Litchfield County 4-H Fair Association officers, directors, and superintendents will assume no responsibility for any loss or damage to exhibits. Exhibitors must give personal attention to their property and at the close of the fair take charge of the same. Exhibitors are responsible for their animals including any damage occurring to the animal or by the animal while on the grounds. IMPORTANT NOTICE

*****All animals for which there is a licensed Rabies vaccine – cattle, horses, sheep, dogs, cats and ferrets-exposed to the public shall be vaccinated against Rabies. Animals not having an approved Rabies vaccination shall be displayed in a manner such that the public would not be in contact or exposed to saliva from those animals and have EASILY VISIBLE POSTED SIGNS OR TAPE stating, "CONNECTICUT RABIES ADVISORY NOTICE - DO NOT FEED OR TOUCH ANIMALS".*****

On August 4, 2009, the Department of Agriculture adopted regulations for the “**Control of Rabies in Public Settings**” which will be enforced at all Connecticut fairs and public exhibitions. The complete text of the regulations, RCSA §§ 22-359-1 through 22-359-5, follows this notice.

Its provisions include the following for both Connecticut and out of state animals:

(1) Animals for which there is a licensed Rabies vaccine

- Horses, cattle, sheep, dogs and cats must be currently vaccinated against rabies by a licensed veterinarian unless they are under the minimum age to be vaccinated. (Ferrets are also included in this category if displayed.)
- These animals must have a rabies vaccination certificate signed by the licensed veterinarian administering the vaccine that includes the animal’s identification and description, name and address of owner, name of the vaccine’s manufacturer, serial number, date the vaccination was administered and date when it expires.
- If it is the animal’s first vaccination, it must be given at least **30 days** prior to the first show date to be considered current.

(2) Animals not having an approved Rabies vaccination

- Includes animals for which there is not a licensed rabies vaccine and animals for which there is a licensed rabies vaccine but are under the age to be vaccinated. (Most rabies vaccines are labeled to be administered when animals reach 3 months of age – young animals for exhibition should be vaccinated as soon as possible after 3 months of age.)
- Animals must be separated from the public by sufficient means to avoid direct contact with people and other animals, such as a double fence, plexiglass, or other means; or conspicuous signs or tape must be posted near the animal enclosure stating “CONNECTICUT RABIES ADVISORY NOTICE – DO NOT FEED OR TOUCH ANIMALS”.

Yellow tape with the rabies advisory notice wording is available for purchase from the Department of Agriculture.

Please, contact the Department at (860) 713-2504 if you have questions regarding the requirements, the rabies regulations or if you wish to obtain the rabies advisory notice tape.

Directions:

For the cake:

- Preheat the oven to 350 degrees F.
- Grease a 10-inch bundt pan

- Cream together the butter and the remaining 1 cup sugar until light and fluffy. Set aside.
- In a separate bowl, sift together the flour, baking powder, and salt. Set aside.
- Combine the vanilla and almond extracts with the buttermilk. Set aside.
- Stir the blanched, toasted, chopped almonds into the flour mixture.
- Then add both the butter/sugar mixture and the buttermilk mixture into the dry ingredients, doing so in thirds and mixing until just combined.

All designs will be on display at the 4-H Fair and will be awarded ribbons and other prizes during the fair.

Premier Showmanship Contest

Superintendent: Sarah Bourgoin (First Vice President, Livestock)

There are two divisions in this contest which tests the ability of 4-H members to show their animal in addition to every other species. The junior champion showman in each animal division competes for the Junior Premier Showman award. The senior champion in each animal division competes for the Senior Premier Showman award.

Any member who wins Premier Showmanship may not compete in the same age division again (i.e., once a member has won Junior Premier Showmanship, they may not compete again until eligible for the Senior Premier Showmanship contest. Even if they are named champion of their animal division again, the reserve champion will represent the division in Premier Showmanship).

Both the Junior and Senior Contests will run at the same time. Along with showing the different species, judges may ask the showman questions about the species the contestant is showing. Contestants can earn from 1-10 points as they handle each animal. The highest total score wins. Ties are broken by the number of 10's (a perfect score) each contestant has.

Calvin Wheaton Memorial Award

The Senior Premier Showmanship trophy is given in memory of Cal Wheaton. Cal grew up in Washington, CT and was active with dairy and beef projects. He was president of the Litchfield County 4-H Fair in 1960-61 and was president of the 4-H Service Club. Winner of the novice class has the option of also participating in the Junior or Senior showmanship class appropriate for their age. Classes will be judged using ARBA Cavy Showmanship guidelines. The decision of the judge will be final.
7. Breed Conformation classes will be judged according to the latest edition of the ARBA Standard of Perfection however this is not a sanctioned event. Pet/mixed breed classes which will be judged on condition (fur/coat, body, condition, etc). The decision of the judge will be final.
8. For the safety of all Cavy all animals entered in the show must have a permanent ear tag. The number must be listed on the entry form. After health inspection a cage will be assigned to your animal and tape or sticker placed on their ear with their cage number. Do not remove the cage number or move your animal's cage without first talking to the cavy superintendent. Cavy can be placed in single or multiple animal cages based on the owner's and animal's preference (same sex, species and caviary cohabitation only - no breeding).
9. All exhibitors will be responsible for feeding and caring for their own cavy daily. Fresh water (in a bowl), feed, veggies and fresh hay must be in the cages by 9 am. It is not safe to switch animal feed for just a few days. Exhibitors must bring their own supply of pellets in a labeled container or bag. There will be ample hay and veggies available for your use but exhibitors may also bring their own. Cavy supplies must be stored in a neat manner, preferably in a labeled tack box or opaque storage tote. Alternatively supplies may be brought in daily by the exhibitor. If you do not think your cavy will eat from the feeders provided by the fair, you may bring your own feeders or water bottles but the exhibitor is responsible for them. Supplements to increase hydration may be added to the animals' water with your club leader's permission.
10. Personal items such as clothing, bags, etc. needed for the day must also be stored neatly. Food for human consumption will not be stored in the animal area. Due to the lack of storage space transport cages and personal items should be stored in vehicles or at home for the duration of the fair.
11. Cages need to be spot cleaned by 9 am. Any removed bedding must be taken to the manure pit after cleaning. The area near your own cages must be swept clean at all times.

12. Exhibitors need to set up their cages with bedding they prefer - the show will provide appropriate large pine wood chip shavings. If other bedding - fleece, reusable pads, hides, hay, cage covers, is preferred for your animals comfort - the exhibitor must provide those implements and is responsible for their care.
13. Exhibitors are required to handle their own cavy for judging. This includes bringing them to the table for showmanship and confirmation. If the exhibitor has more than one animal in a class they need to ask for help from fellow 4-Hers. If no help is available then they need to reach out to the Cavy Superintendent. No adult may show or handle cavy for youth. A list of the classes will be posted so the exhibitors can follow along and know when they have to get their cavies out. They also need to listen carefully to how the judging is progressing. Cavies may be brought to the table in transport cages and/or carts if needed. Consider handling capabilities of the exhibitor when entering animals.
14. Pet Class: When the animal is a mixed breed that does not conform to any one specific written standard - this is the class you enter the animal in. Check with the Cavy Superintendent if you have questions.
15. Animals for sale: 4-H exhibitors may put up "For Sale" signs on their cage upon conclusion of the conformation portion of judging. All sale signs must include the breed, age and price of the cavy as well as a full name and phone number of the parent responsible for the exhibitor. For sale sign dimensions may not exceed a 3x5 index card. Sign should be secured with a zip tie. No animals may leave the fairgrounds until the conclusion of the fair. Exhibitors must inform the superintendent that they intend to put up a "sale" sign and show it to the Cavy Superintendent for approval. NO SALES to children without DIRECT parental permission.
16. It is best practice to limit petting, feeding, handling only to exhibitors / owners of the animals. Animals should be removed from cages only for fitting and judging. Frequent handling of the animals in unfamiliar settings can lead to animal stress i.e. an animal not known to bite or scratch can suddenly become one who does. The public may ask to pet or handle your animal - it is best just to politely decline.
17. Absolutely no leashing or diapering of cavies is allowed for the duration of the fair. Any costuming used should be limited to the event for which it is required - i.e. the pet parade or diorama.
18. Danish System ribbons. Trophies will be awarded for each Showmanship Class, Best in Show Cavy, Best In Show Pet Class, Best in Show Cavy Diorama, Best In Show Cavy Training and Best In Show Cavy Agility. Winners of the Senior and Junior Showmanship class will participate in Premiere on Sunday. Rosettes will be awarded for each Best of Breed, Best of Variety and Reserve Best in Show.
19. Exhibitors are asked not to leave the area until after ALL Cavy judging is complete. Classes will not be re-judged if an exhibitor is absent. Reminder - The Best of Breed Winners will return at the end of the show to compete for Best in Show and Reserve Best in Show (Pet/mixed breed classes are not eligible but they do receive a trophy for Best Pet in Show). Ribbons and trophies will be awarded immediately upon conclusion of the show.
20. All cavy and cavy exhibitors must remain after the conclusion of the fair on Sunday for clean up. No one is dismissed until the barn has been cleared by the Cavy Superintendent. Parents are highly encouraged to assist with the cleanup process. Exceptions to this policy must be approved by the Cavy Superintendent and the Club Leader.
21. The 4-H Fair and the show superintendent will take all due precautions against animal loss, but will not be responsible for any accident, mistake, loss or damage from any cause.

This routine should include any training you have focused on with your cavy such as nosing a ball, following your hand, coming when called, walking through a hoop, etc. You may take up to two minutes before your routine to set up props such as hoops, balls, etc. on the training surface. Props are encouraged but not mandatory. Have your props ready when your name is called. You do not need to use the entire three minutes allowed for your routine. Exhibitors will be required to complete the rubric with a list of the tricks in their routine prior to their “performance”.
- 3) Food, treats or comfort items will be allowed during the competition. They may also be used in practice. Exhibitors must be clean about their use. No debris or excessive scattering allowed.

Using the cavie's name in an encouraging manner is allowed. Spectators will be encouraged to keep their voices low.
- 5) Each guinea pig will get 3 attempts per “trick” with 10 seconds per attempt. Once a cavy has failed to complete their trick the exhibitor is encouraged to move on to the next part of their routine.
- 6) All Cavy breeds are welcome but long hair breeds must have their hair wrapped or trimmed (which only makes them eligible for Pet class in conformation).
- 7) Cavy must never be left unattended in the trick area. No leashes or diapering is allowed. Waste left on the trick board by their animal must be cleaned by the exhibitor.
- 8) Animal substitutions will be permitted the day of the event but each exhibitor may only enter one animal for Cavy training.
- 9) Rosettes will be awarded for every exhibitor who participates in the cavy training event. Best in Show Trophy will be awarded to the exhibitor who’s cavy scores the highest number of performance points. 10) Order of participants will be drawn at random and is not subject to change. GENERAL RULES

There are two divisions, Junior and Senior, in the contest.

Junior Division contestants must be ages 10 - 13 on January 1 of the contest year.

Senior Division contestants must be ages 14 - 18 years old on January 1 of the contest year.

- Contestants participating in the area and/or state contest must have their project records completed before entering the contest.
- Contestants are judged on safety at all times while at the contest site: before, during, and after their contest operation. At the discretion of the judges, an unsafe operation may disqualify a contestant.
- The driving order should be determined by allowing the contestants to draw numbers.
- The penalty scoring system is to be used. Unanswered or incorrectly answered questions and violation of rules draw penalty points for the contestant. In each division, the contestant who completes the event with the lowest total score or number of penalty points is the contest winner.
- While at the contest, all participants are scored on safety, parts identification, tractor operation on the course, and time.
- The driving event is timed and scored on the basis of one penalty point for each second of operation. However, penalty points for safety violations, hit stakes, etc. are severe enough that the importance of speed is minimized.
- In both divisions, failure to complete the course in eight minutes results in the driver being assessed a penalty of 400 points.
- Note: Officials, prior to the contest, may waive the eight-minute time limit.
- In case of a tie score for an award, the tie is broken using the contestants' scores in the specific scoring categories: safety, parts identification, obstacle course score (tractor operation on course), and time on course. The order for breaking a tie is:
 1. Safety
 2. Parts identification
 3. Obstacle course score
 4. Time

If comparing the contestants' scores in each of the above categories fails to break the tie, the contestants re-drive (safety, obstacle course score, and time are counted).

Any rule or interpretation not covered here will be decided by the superintendent, assistants, and leaders of the contest. Their decisions are final.

Take a relaxing stroll through the barnyard or sit and relax and take in the scenery of the farm.

Meet our herd of Nigerian Dwarf goats and get to know our small herd of Lamancha dairy goats who love attention from visitors. Spend some time with our super social Holstein, Jersey and Brown Swiss calves.

Watch our milk cows grazing while our mule Annie watches over them.
