2023 4-H Essay Contest

2023 Essay Topic: *The Importance of Beeswax*

Although honey bees are much-beloved for honey, bees also produce beeswax that can be used in many ways. For this essay, a 4-H student should discuss why beeswax is so important to the hive (it's a pantry, it's a nursery, it's the dance floor), but also discuss their favorite way to use beeswax outside the hive. Photos of candles, soaps, or lip balms that are made to show the 4-H'er's skill in using beeswax are welcomed as are recipes or brief instructions.

Eligibility: The 2023 National 4-H Beekeeping Essay Competition is open to active 4-H Club members only.

Any 4-H Club member who placed first, second or third in previous years of the national competition is NOT eligible to win in 2023; however, state competition winners remain eligible to enter the national competition. Essays entered must encompass the designated topic only. There will be no exceptions.

Competition Rules & Essay Requirements: Any 4-H Club member interested in writing an essay should contact their local 4-H office for competition details. The state selection process must be completed through the 4-H system.

Failure to meet any one of the essay requirements will result in disqualification.

Essay Requirements for National Judging: Essays must be typewritten or computer-generated on single-sided pages and formatted following standard manuscript format using double-spaced type and 12pt font in a legible font face.

Essays must encompass the designated topic in 750 to 1,000 words. Word count does not include sources, works cited, or the writer's biographical statement.

All factual statements and interview references must be cited in a "sources" or "bibliography."

Essays will be judged on (a) scope of research, 40%; (b) accuracy, 30%; (c) creativity, 10%; (d) conciseness, 10%; and (e) logical development of the topic, 10%.

On a separate page, please include a brief biographical statement of the writer including mailing address, email address, and phone number.

The deadline for submission to the State 4-H Office is April 3, 2023.
